**Federal Direct Stafford Loan**

A Federal Direct Stafford loan is a student loan with a 6.00% interest rate plus 1.066% origination fee and is payable over 10 years or more after graduation. The maximum loan is \$20,500 per year. According to recent Federal law there is no interest subsidy on a graduate Direct Stafford loan, which means that the government does not pay the interest while students are in school. Students may either pay the interest monthly or have it capitalized into the principal when they are no longer in school.
